

ALERT 'SPRING TRAINING' AT CRA- LAS VEGAS (2015)

FREE TRAINING AT CRA LAS VEGAS!

In conjunction with the California Rental Association (CRA) Rental Rally, Alert will offer a special **FREE Alert Spring Training** program for current Alert EasyPro users as well as interested prospective customers. Just like the start of the baseball season, it will provide a great warm-up for the rental season as well as a brief introduction to our version of 'The Fall Classic': **The International Alert User's Association (IAUA) Conference**, November 12-13, 2015, in Colorado Springs. (Don't miss it! Put it on your schedule now.)

The best part is, the Alert Spring Training agenda will be 'crowd-sourced' by current users who register through our on-line registration process. You can vote for the top three 'All-Star' IAUA presentations you wish to see in Spring Training! The 2014 IAUA Class Schedule (below) is the ballot. Click here to register: www.alert-ims.com/blog/spring-training

Time will also be reserved to review the latest new Alert EasyPro revision (V16) and for Q&A on topics of your choice.

Schedule: Thursday, January 29th, 9 AM-Noon. In addition, private appointments and software demonstrations will be offered from 1:30 PM-4 PM. Pre-registration is required. (First come, first served.)

Location: South Pointe Casino Hotel/Convention Center, Las Vegas, NV. The Half Moon Bay Room has been reserved for Alert by the CRA. (Complimentary coffee and refreshments will be provided courtesy of Alert.)
